NOTIFICATION.

No. 336 A, *dated Camp Mysore, 8th March* 1897.

In republishing for general information Notifications Nos. 761 and 762, dated 25th February 1897, issued by the Resident in Mysore under section 2, *sub-section* 3, of the Epidemic Diseases Act, 1897, the Government of Mysore are pleased to frame the following temporary regulations under the power vested in them by section 2, *sub-section* 3, of the Mysore Epidemic Diseases Regulation II of 1897 :—

1. Any Officer of the Mysore Medical, Police or other Department, deputed for that purpose, may receive from the Inspecting Officers referred to in Rule IV of the Resident's Notification No. 761, persons suffering or suspected to be suffering from the bubonic plague, and detain them in such places within the Mysore State as may be appointed for their accommodation.

2. Any Officer of the Mysore Medical, Police or other Department, deputed for that purpose, may receive from the Inspecting Officer aforesaid, any person who may be handed over to him to be dealt with under Rule VI of the Resident's Notification No. 761, and remove him or cause him to be removed to a place provided under Rule 1 above, and there cause him to be detained for 10 days, when, if he is certified to be free from the infection of the plague, he shall be restored to the Inspecting Officer with a view to his being permitted to depart therefrom.

By Order,
C. SREENIVASIENGAR,
Secy. to Govt., Genl. & Rev. Depts.

Notifications by the Resident in Mysore,
No. 761, dated Bangalore, the 25th February 1897.

Whereas certain parts of India are visited by, and the Province of Mysore and the Civil and Military Station of Bangalore are threatened with, an outbreak of a dangerous epidemic disease known as bubonic plague, the Officiating Resident in

Mysore, in exercise of the powers delegated to him by the Governor-General in Council under section 2 sub-section (3) of the Epidemic Diseases Act, 1897, as applied to the Civil and Military Station of Bangalore (Notifications of the Government of India, Foreign Department Nos. 443 I. A. and 444 I. A., dated the 4th instant and No. 567 I. A., dated the 12th instant) is pleased to prescribe the following temporary regulations.

I. Every passenger train coming from outside the Mysore State to any of the stations to which these rules may be declared by the Resident to be applicable, shall be stopped at such station and shall not be taken further until the inspection provided by these rules has been carried out and until the Guard in charge of such train has obtained a certificate from the Inspecting Officer at such station to the effect that all persons proceeding further by the said train, whether railway servants or passengers, are free from bubonic plague.

II. Every such train shall be emptied for inspection of the passengers in such manner as the Inspecting Officer on duty may direct, and all such facilities shall be afforded by the servants of the Railway Company as the Inspecting Officer on duty may deem to be necessary for the purpose of inspecting

(*a*) persons who have come by such train, whether they intend to proceed by it or not, and

(*b*) persons who intend to start from any of the said stations and to travel by such train.

In particular the doors of all railway carriages shall be locked at the station at which the train last stops before arrival at the station appointed for the inspection of passengers under these rules.

III. The Resident in Mysore may appoint any person or persons, by name or by virtue of office, to be the Inspecting Officer or Officers for the purposes of these rules, and may cancel any such appointment.

IV. Inspecting Officers appointed under these rules are empowered to examine all persons arriving by or intending to leave by the trains mentioned, and to detain persons suffering or suspected by them to be suffering from bubonic plague in such places as may be appointed for the accommodation of such persons respectively.

V. Inspecting Officers appointed under these rules may demand of any person travelling in the trains mentioned, his name, his usual abode and particulars of the places in which he has resided, or which he has visited during the preceding 15 days, and also the address to which he is about to proceed, and any other particulars which the Inspecting Officers may think fit in view of satisfying themselves as to the likelihood of the said persons spreading the infection of the plague. A person so interrogated shall be bound to answer truly to the best of his knowledge and belief all such questions and enquiries.

VI. If any such person is found to have, within the preceding ten days, been within a part of India believed by the Inspecting Officer to be infected by the plague, and is unable to satisfy such officer that he is proceeding to any fixed place of residence, such officer may remove him or cause him to be removed to a place provided under Rule IV, and may there cause him to be detained for ten days, when, if he is certified free from the infection of the plague, he shall be permitted to depart therefrom.

VII. The Police shall act under the orders given by the Inspecting Officer on duty under these rules with regard to compelling persons to submit to such arrangements as may be made by the said officer for the purpose of inspection, and with regard to the detention and segregation of persons suffering or suspected to be suffering from bubonic plague.

VIII. Any person disobeying any of these rules or any orders issued thereunder by the Inspecting Officer shall be deemed to have committed an offence punishable under Section 188 of the Indian Penal Code, and shall be liable on conviction to be punished with imprisonment of either description for a term which may extend to 6 months, or with fine which may extend to one thousand rupees, or with both.

No. 762, dated Bangalore, the 25th February 1897.

No. 341, *dated, Camp Mysore, 9th March* 1897.

Regulations under the Epidemic Diseases Regulation, 1897, for the Cities of Bangalore and Mysore.

Whereas certain parts of India are visited by, and the Territories of Mysore are threatened with, an outbreak of a dangerous epidemic disease known as the bubonic plague, and whereas the ordinary provisions of the law in force in those territories are insufficient for the purpose of preventing the outbreak or spread of the disease, the Government of Mysore, in exercise of the powers vested in them under Section 2 of the Mysore Epidemic Diseases Regulation, 1897, are pleased to prescribe the following temporary regulations to be observed in the Cities of Bangalore and Mysore:—

1. These regulations shall come into force at once and shall remain in operation until such time as they shall be withdrawn by a notification in the Mysore Gazette.

2. Every house-holder who becomes cognizant of any case of the bubonic plague or of fever with glandular swellings in his house or in any other private dwelling within the Municipal limits of the Cities of Bangalore and Mysore, shall be bound to give information of the same to the President of the Municipal Commission, or to a Medical Officer deputed by the Senior Surgeon, or in the absence of any such Officer, to the Surgeon of the District, or to the Sanitary Inspector of the Municipality, with the least practicable delay.

3. The President of the Municipal Commission or any Officer generally or specially authorized by him in writing in this behalf, may, when he considers necessary, enter upon any premises at any time during daylight and summarily
